Adam's Corner

Welcome to the Mayfield church of Christ. We are so happy you are here.

Two weeks ago, we had two responses by a brother and sister in Christ. Curt Mize responded asking for prayers of the church, and Shirley Weatherford responded asking for prayers of the church. Isn't it wonderful that we can pray for one another? What a great avenue God has given us. Continue to pray for these two please.

Along with that, Shirley Weatherford requested to place membership here, and we are so thankful for that.

Jim and Diane McCarty also placed membership with us.

Thanks be to God for these great happenings!

Let's worship God together!

We Love You!

Adam

How to be Successful in the Lord's Work

According to americanexpress.com in an article entitled, "5 Things Successful People Do That Others Don't," (7.23.14), the following reasons are given for success. These same principles can help us to be successful in the Christian life as well. Note...

1. **They Go To Work to Prosper.**

When we go to do the Lord's work we must have the same mindset. Our intention and drive must be to accomplish something for God. If we have that attitude, then we certainly will be successful!

2. **They Exercise Incredible Drive.**

When we do the Lord's work we must be driven to do as much as we can, when we can, in the best way we can. Giving up is not an option. Putting more effort and action into our efforts help us to be more successful for the Lord!

3. **They Never Make Excuses.**

The Lord does not accept excuses. Therefore, we need not to make any. He knows what we are capable of, and He knows if we are using all of our resources that are available to us as Christians. Excuse-makers are not productive!

4. **They Focus on Their Goals Daily.**

The Christian life is just that, it is a way of life. And, as children of God we must live it every single day. We should focus our daily goals on our relationship with God and our relationship with those around us. Success will surely come!

5. **They Are Willing to Fail.**

If we, as Christians, would use the same attitudes that we use to be successful in life in so many areas, then we will be successful in the Lord's work as well. In fact, we should be more successful in His work because He, Himself, will help us. Think about it!
