Welcome to Mayfield church of Christ. If you are visiting with us, we are happy you are here. Please let us know if you have any questions for us. Please come back!

### Romans 10:14-17

"How then shall they call on him in whom they have not believed? and how shall they believe in him of whom they have not heard? and how shall they hear without a preacher? And how shall they preach, except they be sent? as it is written, How beautiful are the feet of them that preach the gospel of peace, and bring glad tidings of good things! But they have not all obeyed the gospel. For Esaias saith, Lord, who hath believed our report? So then faith *cometh* by hearing, and hearing by the word of God.

Let's worship God together!

We Love You!

## Word of the Week

### Creation

The description of creation in Scripture is *ex nihilo* – which means God created the material universe without the use of pre-existing materials. He did not use anything that was already in existence. The doctrine of creation out of nothing has numerous important theological implications. First, creation *ex nihilo* emphasizes God's necessary existence. God is uncreated. He is eternal which means He has no beginning or ending point. He is uncreated and all other things are created. All other things in the universe are contingent upon His existence. Anything and everything is grounded in God's creative act. Second, creation *ex nihilo* highlights the doctrine of divine freedom. God freely chose to create something distinct from Himself. He freely created finite persons in His image to invite them into a loving relationship with Himself. Third, creation *ex nihilo* exhibits God's supreme power. If God desired to create but could only do so if there happened to be some preexisting matter, then He would not be all-powerful. However, His ability to simply speak the world into existence is a stunning display of His majestic power.
